## READ THIS.

Ripley, Tenn., June 1, 1901.

Dr. E. W. Hall, St. Louis Mo.—Dear Sir: Having tried various remedies without satisfactory results, I was persuaded to give your "Texas Wonder" a trial. I have used one bottle, and although my case is one of long standing that baffled the skill of the best physician, yet it yielded at once to "The Texas Wonder," which I heartily recommend to all suffering from kidney and bladder troubles.

Yours truly,

W. H. BEUTON,  
Pastor Baptist Church, Ripley, Tenn.

## A TEXAS WONDER.

One small bottle of the Texas Wonder, Hall's Great Discovery, cures all kidney and bladder troubles, removes gravel, cures diabetes, seminal emissions, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder in both men and women, regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1. One small bottle is two months' treatment and seldom fails to perfect a cure. Dr. Ernest W. Hall, sole manufacturer, P. O. box 629, St. Louis, Mo. Send for testimonials. Sold by all druggists.

Madames Lizzie Howell and Ola Holmes have returned to their home in Palatka, after a pleasant visit to friends here.

Rev. S. W. Colson, a prominent citizen of Jennings Lake, after a brief but pleasant visit to relatives here, has returned to his home.

Hon. Henry S. Chubb, receiver of the United States land office, has returned from a pleasant visit to his family at Winter Park.

Mrs. W. S. Terry of Spellman, Ga., who has been here for several days as the guest of Mr. and Mrs. L. J. Olyatt, has returned to her home.

Carter & Anderson offer today, bean-fed beef, sliced ham, head cheese, Fulton Market beef, pigs' feet and mackerel at their market, opera house corner.

J. W. Patton has returned from the West End, where he has been surveying for Michigan parties for the past few days. Mr. Patton states that the people of the West End are prosperous, and that everyone desiring to work has a position of some kind.

The Seventh Day Adventists continue to hold meetings at the North Gainesville Hall, and these meetings are largely attended every night. Elders Chrisler and Killen of Orlando, who are conducting the meetings, are interesting and impressive talkers, and the congregation is growing daily. The family of Elder Killen have arrived in this city and will make Gainesville their future home.

J. S. Bodiford & Co., the druggists, are up-to-date when it comes to doing business. Dr. Bodiford, without any joke, is a clever fellow, and is as original as he is clever. Thursday the Doctor placed a sign on the door which read: "Come in; we have a red hot stove." It is needless to add that he had to undergo the trial of entertaining a crowd of "good fellows" during the day—but Dr. Bodiford does not object to this.

W. G. West of New Orleans, the clever traveling salesman for the Whitney & Sloo Company, limited, harness and saddlery, after a couple of days spent in this city in the interest of his firm, departed yesterday for Live Oak. Mr. West is one of those good-natured fellows who makes friends wherever he goes, and enjoys a fine trade throughout his territory.

Dr. Sanderson of Uniontown, Pa., who is spending the winter here, has returned from Daytona, where he attended the opening automobile races. He states that excitement was running high, each automobile enthusiast having his preference of machine. He has written his home papers a very interesting sketch of the races, in which he told them he had seen the world's record broken—a mile in thirty-four and two-fifths seconds. This was accomplished on the opening day.

A patent medicine show of rather a local nature has arrived in the city, and began yesterday its performances on the northwest corner of the square. It is an effort of the Florida Herbal Company of Jacksonville to advertise its products, which is done in the nature of a minstrel show, followed by an advertising spell. The show yesterday attracted a great many, who enjoyed the performance of the trio of negroes and learned something new about Florida's possibilities in the production of medicine.
